Freight Forwarding Experts

A freight shipping leader for more than four decades, AIT Worldwide Logistics delivers a full suite of freight forwarding services, including customs clearance, access to superior transportation technology, and much more.

Trusted Across Industries

The world's largest and most well-known brands across a range of industries trust their freight delivery to AIT, from life sciences and healthcare shipments to industrial manufacturing logistics, and beyond.

Global and Growing

The dedicated professionals at our more than two dozen sustainably-minded European locations are part of AIT's growing freight forwarder network of more than 100 worldwide locations—each ready to serve you 24/7.

Secure Freight Warehousing

Our German locations alone feature more than 20,000 square meters of secure, cost-effective freight warehousing space.

"For nearly five years, AIT has not only delivered on-time, flexible shipment options—they have also provided constant proactive service and high-quality advice."

Reliable Sea Shipping

Take advantage of flexible, cost-effective container logistics services, including less than container load and consolidation services.

When you partner with us, you'll enjoy access to:

- More than 1,500 weekly direct services serving 100+ countries via the world's largest consolidation network

- Oversized, overweight, project and breakbulk cargo expertise

- Strong relationships with core and niche carriers

- End-to-end oversea shipping visibility

- 24/7 customer support

- And much more!

Secure, Proven Air Cargo Solutions

Grow your global reach fast with speedy air freight services from Europe's top air freight forwarders for your most time-sensitive shipments.

Partnership with us delivers:

- 40+ years air freight shipping experience

- Strong relationships with 17 core carriers around the world who prioritize your air cargo

- Deep expertise with dangerous, oversized and time-sensitive cargo requirements

- Certified cargo screening facilities across the United States

- A range of service options, from elite same-day delivery and exclusive charters to economical consolidations

- And much more!

What can AIT Worldwide Logistics do for your global shipping?

As a leading global freight forwarder with more than 40 years of freight delivery experience, AIT brings our customers:

- The speed and affordability of a non-asset-based provider
- Scalable, flexible, and customizable global shipping solutions for all lanes and modes
- Capacity procurement power, market and subject matter experts in countries with the greatest customer demand
- Consultative, personalized customer service
- Consolidated buying power to procure competitively priced air, sea, ground, and rail capacity on any trade lane
- Exceptional shipment transparency and efficiency via our unified global transportation management system
