LIFE SCIENCES

TECHNOLOGY

Reliable Sea Shipping

Take advantage of flexible and cost-effective container logistics services. AIT provides full container load (FCL) shipping as well as consolidation services for less-than-container-load (LCL) options. When you partner with us, you'll enjoy access to:

More than 1,500 weekly direct services serving 100+ countries via the world's largest consolidation network

Oversized, overweight, project, and breakbulk cargo expertise

Strong relationships with core and niche sea freight carriers

End-to-end oversea shipping visibility

Secure Air Cargo Solutions

Grow your global reach quickly and securely with services from one of Europe's top air freight forwarders. Partnership with AIT includes:

Strong relationships with 17 core carriers around the world who prioritize your cargo

Deep expertise with dangerous, oversized, and time-sensitive cargo requirements

Certified cargo screening facilities across the United States

Options to meet any timeframe and budget, from elite same-day delivery and exclusive charters to economical consolidations

What can the AIT-Netherlands team do for your global shipping?

As a leading global freight forwarder with more than 40 years of experience, AIT gives you:

- Speed and affordability via our non-asset-based model
- Scalable, flexible, and customizable global shipping solutions for all lanes and modes
- Access to subject matter experts across Asia, Europe and North America

- Dedicated representatives providing consultative, personalized customer service 
- Competitively priced air, sea, road, and rail capacity on any trade lane thanks to our consolidated buying power
- Exceptional shipment visibility and efficiency via our global transportation management system
